

pxBlogger

POSITION YOUR COMPANY AS AN EXPERT THROUGH YOUR WEB SITE

Site Blog \$1000

pxBlogger equips your Web site with the ability to provide an open forum for you to discuss subjects pertinent to your business and add topics of interest. Visitors to your Web site will be able to read your blog entries and add comments that you can either accept or decline. A blog is a great way to add constantly changing information to your site that can help your search engine rankings. Set yourself apart from your competition by positioning your company and its principals as experts in your field with pxBlogger.
