CREATE A STAFF DIRECTORY FOR YOUR WEB SITE

Staff Database \$1000

pxPeople gives you the ability to add, edit and delete staff profiles on an online employee directory built into your web site. Editable fields include Name, Position, Personal Bio, Photo and Contact Information. pxPeople gives a site administrator(s) from your company control over information that is posted on your site.

pxPeople includes:

Features

- Unlimited number of staff
- Personalization of your Web site by having staff photos
- Ability to provide different contact info for each employee
- Easy to use interface

Editable Fields

- Name
- Position Title
- Category of Staff
- Photo
- Phone Number
- E-mail Address
- Personal Bio

Sandy Lake
Program Administrator

[Email Me](#) / Phone: (912) 389-4718

Sandy Lake brings a background in management and a Bachelor's in Business from the University of Alabama, with a focus in Healthcare Management to her role as Program Administrator. Prior to joining the Centers of Innovation, Sandy worked with HealthSouth Rehabilitation and then the National Association of Private Enterprise, serving on the board for 10 years. Following her tenure in those roles, she started and ran her own business for 10 years.

Sandy recently complete the Georgia Academy of Economics program; in her role with COI she works with each center director and interfaces with the Georgia Department of Economic Development and various state agencies.
